

5B Homework

Below is **5B's Homework Grid** with a range of activities to choose from during **Term 2**. All activities are **optional**.

<p>Get Blogging!</p> <p>Post on your student blog - the next chapter of your story, interesting facts, etc. Comment on the blogs of your classmates.</p> 	<p>Maths</p> <p>Complete this week's activities on the topic of study in class, or brush up on your mental or times tables:</p> <p>Mathsonline.com.au Mathletics.com.au Sumdog.com</p> 	<p>Science: Extreme Weather Phenomena</p> <p>Find an interesting fact about a type of extreme weather phenomena. Email it to Mrs Bowman or share it on your student blog.</p> 
<p>BTN: Behind the News</p> <p>Watch this week's episode of BTN. Answer the discussion questions on your favourite segment.</p> <p>abc.net.au/btn/</p> 	<p>Geography: Climate Change</p> <p>Climate Change is an important issue happening right now. If you see/hear something on the news, share it with 5B.</p> 	<p>Reading</p> <p>Read a book each night during the week. Once you have completed your book, write a review, including a plot summary, your opinions, and your recommendations for others.</p> 
<p>Help at Home</p> <p>Do a job at home to help your family. Some ideas include; tidy your room, help with dinner, or feed your pet.</p> 	<p>Be Active</p> <p>Get active and play a sport or physical activity for 30+ minutes each day.</p> 	<p>Persuade Me</p> <p>Using the persuasive devices we have been learning about in class, write, draw, or film a persuasive piece/commercial.</p>
